3% Chelated Zinc (Zn)	

Derived From : Potassium Carbonate, Sodium Molybdate, Boric Acid, Manganese EDTA, Copper EDTA, Zinc EDTA, Iron EDDHA

KEEP OUT OF REACH OF CHILDREN

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>
ATTENTION: This fertilizer carries added boron and is intended for use only on directed crops. Its use on other crops or under conditions other than those recommended may result in serious crop injury.

CAUTION: The application of fertilizer containing molybdenum may result in forage crops containing levels of molybdenum which are toxic to ruminant animals.

Information about the components of this lot of fertilizer may be obtained by writing to Nousbo USA Inc. 3010 Lyndon B Johnson Fwy FL 1200, Dallas, TX 75234 and giving the date which is found on this label.

DIRECTIONS FOR USE

Drop a tablet per gallon of water. Each tablet covers up to 100 sq. ft. Apply every week during the growing season.

STORAGE

Store in a dry cool place. This product is moisture absorbent and needs to stay dry. Store unused fertilizer in the tube and seal tightly. Dispose of according to federal, state and local regulations.
